To Whom It May Concern

It is with great confidence that I put forward this recommendation of WireChief Electric and its owner, Octavio Sosa and it is Octavio's integrity and commitment to his clients that I am recommending.

As the general contractor, Heldsinger General Contracting, has worked on renovation, alteration and re-wiring projects with WireChief Electric as our Electrical Sub-Contractor.

WireChief Electric's demonstrates a high level of quality in their work. Their crew members are knowledgeable and they adhere to the project's requirements, schedules and specifications. Should a problem arise, they work to address and resolve whatever issues are in need of rectifying.

Octavio displayed professionalism, reliability, and competency during the entire duration of the jobs. The onsite crew was a pleasure to work with as they demonstrated hard work and positive attitude

It's without a doubt that we recommend WireChief Electric and look forward to working with them on future projects.

Respectfully,

Wesley Heldsinger
Owner
